

Oxford WIZO welcomes

Anat Vidor

President of World WIZO

This is a wonderful opportunity to hear from Anat personally and to gain a deeper understanding of the importance and impact of WIZO, both around the world and within Israeli society.

As women who dedicate our time and energy to this organisation, it is important that we appreciate why being an active and integral part of this movement is so meaningful.

Founded over 105 years ago in Manchester, WIZO has grown into a global movement that continues to make a profound difference in the lives of women, children, and families.
